AXCELL MF batteries combine superior starting performance with comfort. Pre-charged and delivered with an acid pack, MF batteries become sealed once activated thanks to its time-proven Absorbent Glass Mat technology. Totally maintenance free, only initial acid filling is required to get you started. Ideal for the majority of powersport applications.

BENEFITS

- > **Maintenance free**
No water refilling
- > **Acid pack included**
For initial filling
- > **Completely sealed after initial filling**
Mounting up to 25°
- > **Superior starting power**
For the majority of powersport vehicles
- > **Long shelf life**
No recharge required before acid filling
- > **Suitable for all weather conditions**
With great heat & cold tolerance
